## Milieu Colour Mini Mini

An elegant pendant lamp featuring a breath-taking organic design. The Milieu series was originally designed in 1975 by the renowned Danish lighting designer Jo Hammerborg. The beautiful pendant floats lightly and elegantly in a room like a celestial body in the sky. Its multi-layered hemispherical shape creates a beautiful lighting effect with no glare. The original design was inspired by Jo Hammerborg's great passion for flying and parachuting. Just like a parachute, the individual layers unfold beautifully, and the pendulum features a unique harmony and lightness - marks of a true design classic.

Milieu Colour Mini Mini is designed in metal and available in the exclusive and silky matt colours Clear White, Pure Cashmere, Tomato Cream and Ultimate Grey.
