WITH LOVE FROM COPENHAGEN

At UIMAGE, our designers take inspiration from the distinct nature of the Nordic landscape to create unique designs related to the way we live in an urban setting. Influenced by the design language, colours and materials found around us in Scandinavia, we create a collection that is rooted in our home but designed for everyone.

Versatile, flexible and multifunctional, our designs are created to enhance an urban lifestyle in smaller spaces!

GIVING BACK TO NATURE

In collaboration with the NGO One Tree Planted, we are planting a tree every time one of our designs made from wood are being sold.

MULTIFUNCTION AND FLEXIBILITY

One of the key aspects of the designs at UMAGE is multiple functions and flexibility. Designing with more than one function in mind is a sustainable mindset as it reduces the number of products you need to buy to get a complete setting for your space.
