# UMAGE

ASTERIA TABLE

Asteria table has a built-in LED panel with a diffuser ensuring a soft illumination in the room. The brass stem going through the table lamp as a vertical axis reinforces a tight and sleek expression.

Asteria table has a hidden USB-port, so you can charge your phone – even when the light is turned off. The lamp is ideal on the desk or as a bedside table lamp but will add elegance to every corner of the home.

Available in nine different colours, making it suitable for countless settings and rooms.

UMAGE is a Danish word meaning 'making an effort', and that's what we want to do every day. UMAGE is where beautiful Danish design meets affordability, high-quality materials and a genuine care for the environment. Nature is the fundamental inspiration for all the designs at UMAGE, and you'll notice nature's presence in the shapes, colours, materials and sometimes even in the functionality of the furniture and lighting.
