Design and import by Halo Design, Gammelgårdsvej 85, DK-3520 Farum

This lamp is delivered with integrated 12W LED, that has a 3 step dimming system with memory.

Step 1: 100% 1221 Lumen

Step 2: 50% 674 Lumen

Step 3: 10 % 178 Lumen

The driver will remember the last setting if you leave the light on the same setting for 10 seconds. Then next time you turn on the light, the same light setting will start.

The lamp comes with replaceable LEDs, easy to re-install.

Lamp is also available with dimmable driver upon request.
