

830/MAR/AR COLLETTTO

design studio emmepi, 2018

Table lamp with diffused light. Statuario marble structure. Satin methacrylate diffuser. For Led bulb.

Entirely handmade by artisans of the city of Pietrasanta, the Colletto lamp is made from scrap pieces that are turned, excavated and finished. The bulb positioned inside and closed with a methacrylate disk shows, once lit, the transparency and the typical grain of the material.

830/MAR/AR colletto
