

WILLOW | LIGHT STAND

Designed by Søren Ravn Christensen

FLEXIBILITY ON THE WALL

With its subtle and minimal design, Willow lets you mount a lampshade without having to install extra electric cables inside your wall or ceiling.

This sturdy accessory will make it possible to have one of your favourite UIMAGE pendant lamps hanging in various positions.

Place it near the bed, or behind the couch, or in a corner... anywhere! Available in either black or white, Willow fits a big range of interior décors. Practical cosiness, at its best.
