Description

Repositionable outdoor floor or table lamp (MO) IP55 rating, available with aluminium structure only and white (BI), old brown (OB) finish.

Complete with power cable (mt. 5) and IP44 plug.

SALSOLA OUTSIDE products are treated with anti-corrosive coatings.

A protective undercoat, tested for 700 hrs in saline fog and a colour finish, tested for 240 hrs in saline fog, ensure these products an extremely long life.

The products may vary slightly in size due to the fact that they are manufactured predominantly by hand.
