STICK CHANDELIER

Drawing inspiration from minimalist art, the Stick Chandelier seamlessly melds light and sculpture, creating a striking graphic lighting design. This collection showcases a radiant white acrylic tube, which houses a long-lasting LED light source, boasting 25,000 hours of illumination at a warm 2400 Kelvin. Accented with plated metal fittings at both ends and mounted on streamlined, geometric metal fixtures, the collection evokes a distinctly graphic ambiance reminiscent of 80s visual language - linear, structured, and graphic.

Shifting away from the starkness typically associated with neon, these innovative lamps exude a warmer, more inviting glow, setting the ambiance for a cozy and comforting atmosphere. The chandelier features eight adjustable arms, allowing each light element to be repositioned and angled as desired. This flexibility gives users the freedom to create dynamic, personalized compositions - whether uniform and symmetrical or expressive and asymmetrical.

The Stick Chandelier is available in two sizes and comes in two refined finishes: a warm brushed bronze and a sleek mirror chrome. Whether suspended above a dining area or anchoring a spacious hotel lobby, it adds sculptural presence, warm light, and timeless design clarity to both residential and larger architectural spaces.

Designed by Kristian Sofus Hansen & Tommy Hyldahl.

Product no: 253033
Type: Chandelier
Designer / Year of design:
Kristian Sofus Hansen & Tommy Hyldahl, 2022

Colour / Material:
Bronze metal / White acrylic tubes
Cable: Fabric covered cable / Black

Dimensions:
L196 / W150 / H37,5 CM
Ceiling cup: H18 / W4,5 CM
Cable: 500 CM

Country of origin: CN
Product weight: 3,6 Kgs

Packaging:
Dimensions: L100 / W84 / H9 CM
Total weight incl. product: 4,4 Kgs
Number of parcels: 1
Material: Brown cardboard

Light source:
Inbuilt LED light
LED bulbs cannot be changed or replaced
Burning hours: 25,000 hours
IP rating: 20 Max Watt: 25
Kelvin: 2400 Lumen: 2059

Please note that the lamp has an inbuilt dimmable driver.
For the dimmer to function correctly a dimmable system or switch is required. Without a dimmable system, the lamp turns on and off.

Care instructions:
Use a soft dry cloth to clean the product.
Do not use household cleaners.

Suitable for rooms with a height of 230-320 CM.
Certificates: CE, UKCA, LVD, EMC
Does not comply with US Standards.
