

TRIP WALL

Exclusive appearance

SMALL, BUT MIGHTY

The TRIP Wall Lamp spreads a soft and elegant light, creating a cozy atmosphere. Its sculptural form, featuring polished marble and mouth-blown glass, gives the lamp a luxurious and exclusive look.

Every detail in our interpretation of the wall-mounted LED lamp is carefully considered. This indoor wall lamp combines clean lines and simple design with classic, high-quality materials. The Trip Wall base is a marble half-circle, supporting a glossy glass shade.

Mount it on the wall and choose the direction of the light opening. Create your own wall art with the lamp, and use it as cozy lighting in the kitchen, hallway, stairwell, or bedroom.

PRODUCT FACTS

Description

The marble comes in five different colors: Carrara, Dark Emperador, Moss, Ash, and Burgundy. The marble is cut into a half-circle, producing a fan-like light effect. The glass shade is mouth-blown and comes in glossy white, amber, or grey. The lamp is finished with a brass button that secures the base and glass. Additional shades are available separately in glossy white, matte white, amber, grey, and rose.

Designer / Year Of Design

Design by Us / 2024

Material

Marble, anodized aluminium, glass, and brass

Construction

The lamp comes with a base and is ready for wall mounting. A black textile cord with a switch is available as an add-on for plug-in use. The LED unit holds the glass in place when the top knob is screwed in. The LED unit is replaceable.

Maintenance

Dust with a dry cloth. For further cleaning, use a soft, non-abrasive cloth with warm water, and wipe dry with a clean, lint-free cloth.

Classification

Class II

Ip rating

IP20

TRIP WALL
