Sunao Vase, Medio - Dark Green

Product Description

Inspired by the Japanese concept of "sunao", a quiet devotion to honesty and simplicity, the Sunao Vase, Medio reflects a calm balance between form and function. Its soft, generous curves create a sculptural silhouette that allows light to move gently across the surface, highlighting the understated elegance of its proportions. The design embodies a sense of clarity and restraint, where every detail feels intentional and harmonious.

Crafted from hand-glazed ceramic, each piece carries subtle variations in tone and texture, making every vase uniquely expressive. Finished in Dark Green, a rich and grounded green inspired by dense forests and shaded gardens, the vase brings a calm, natural presence to the interior. Its deep, soothing character evokes moss-covered stone, layered foliage, and the stillness of nature at dusk, adding depth and quiet balance to the sculptural form.

The Sunao Vase, Medio is ideal for dining tables, kitchen spaces, or as a central decorative object. Style it alone for a calm focal point or combine it with other Sunao pieces to create layered compositions that emphasize rhythm, balance, and sculptural harmony.

As a hand-glazed ceramic product, subtle variations in colour and finish may occur.

Family Description Text

In Japanese, Sunao means honesty. It is a word that holds more than truthfulness; it carries the spirit of living with clarity, humility, and respect for the natural world. The Sunao Collection is born from this philosophy, an exploration of how simple forms and honest materials can create vessels that feel both timeless and alive.

The inspiration lies in the dialogue between nature and craft. Each vase and plant pot is shaped to frame what it holds, yet never overshadows it. The smooth surface speaks of calm refinement, like the stillness of a quiet morning, while the Beehive texture, cast from shoreline shellfish, celebrates imperfection, rhythm, and the raw poetry of nature.

Every piece is hand painted, carrying subtle variations that make it one of a kind, echoing the Japanese belief that beauty is found in uniqueness and quiet detail. Just as no leaf, branch, or wave is ever identical, no Sunao vessel is the same.

Whether standing with flowers, branches, or greenery, or existing in sculptural silence, Sunao becomes more than an object. It is a companion to daily life, a reminder of honesty in design and in living, where simplicity allows nature to take centre stage.

Color Description

Dark Green carries the quiet depth of dense forests and shaded gardens. A rich, grounded green, it holds the cool calm of leaves layered beneath tall trees and the soft darkness where sunlight only gently reaches.

It evokes moss-covered stone, deep foliage after rain, and the stillness of nature at dusk. Both strong and soothing, Dark Green brings a sense of balance and calm, like standing beneath a canopy of leaves where the world feels slower and quietly alive.

Maintenance Guide Description

This material combines the natural resilience of ceramic with the refinement of a hand-painted, high-gloss glazed surface. Because it serves both as décor and functional furniture, careful maintenance is essential to preserve its strength and luminous finish.

For routine care, dust or wipe with a soft, dry cloth. When needed, clean with a damp cloth and mild, pH-neutral soap, then dry thoroughly to prevent water spots or streaks. The glossy glaze should be treated with care avoid abrasive pads, sponges, or powders that may scratch or dull the surface.

To maintain its integrity, wipe away spills promptly and avoid prolonged exposure to acidic or harsh substances, which may damage the glaze or painted finish. Use coasters or soft pads on tabletops to prevent scratches and protect the glazed surface. Do not expose ceramic furniture pieces to extreme heat or freezing conditions, as sudden temperature changes can cause cracking.

With mindful care, each piece will retain its glossy depth, hand-painted character, and timeless strength for years to come.

Materials Description

Ceramic is one of the oldest and most enduring materials, celebrated for its strength, versatility, and timeless beauty. Shaped from natural clay and fired at high temperatures, it achieves a density and durability that make it ideal for both functional and decorative use. Its smooth surface provides the perfect canvas for craftsmanship.

Our ceramic is elevated through hand painting, where layers of pigment are carefully applied by skilled artisans. This process creates subtle variations in tone, texture, and detail, ensuring that no two pieces are ever alike. The result is a material that combines resilience with individuality practical enough for everyday use, yet refined enough to stand as an object of art.

Hand-painted ceramic embodies the harmony of nature, craft, and time: a surface that carries both the permanence of fired clay and the soulful presence of the human hand.
