POSTO TABLE LAMP

DESIGN BY CLAIRE LAVABRE

HAY

TECHNICAL DATA

This product is fitted with one E14 (EU) or one E12 (US) bulb fittings. HAY recommends using this product with LED bulbs.

Fitting type: E14 (EU) or E12 (US)

Power range: 5-8W (Max. 8W)

Suggested colour temperature: Warm White.

HAY will not accept any responsibility for any accidents, injuries or damages that occur due to the use of incorrect bulbs.

ATTENTION

Ensure that the power supply to the circuit has clearly been turned OFF before installing the product. In some countries, electrical installation must be carried out by authorised electricians/contractors; please check with your local authority for guidance.

The product must not be modified in any way. HAY accepts no responsibility for any products that have been modified or tampered with. If the external flexible cable or cord of this luminaire is damaged, it should be exclusively replaced by a qualified electrician in order to avoid an electrical hazard. This lamp is designed for indoor use only.

- CARE & MAINTENANCE -

The product can be cleaned with a soft damp cloth and mild detergent, or a dry microfibre cloth. Do not use alcohol or any other solvents to clean the product and avoid using abrasive or rough sponges. Ensure that the power supply has been turned OFF before cleaning the product.

Our Care & Maintenance offers guidance for optimal maintenance of your HAY product. It includes advice and instructions on cleaning and caring for specific materials to prolong the life of your lighting. You can also find the same information here hay.dk/downloads
