Sunao Vase, Mini - Marrakech Blue

Product Description

In Japanese, Sunao means honesty. More than truthfulness, it reflects a way of living with clarity, humility, and respect for the natural world. The Sunao Collection is born from this philosophy, where simple forms and honest materials come together in calm, considered design.

The Sunao Vase, Mini is defined by its soft, rounded silhouette and refined proportions. Compact in scale, it is designed to complement its surroundings rather than dominate them, allowing flowers, branches, or greenery to take centre stage. Its smooth surface and balanced form create a sense of quiet presence, equally suited to shelves, tables, and windowsills.

Finished in Marrakech Blue, a vivid ultramarine hue of remarkable depth and intensity, the vase brings a bold yet contemplative character to the collection. Rich and luminous, the colour evokes evening skies, cool tiled fountains, and quiet courtyards bathed in fading light. Its saturated, velvety character enhances the sculptural form, creating an atmospheric presence that feels both vibrant and serene.

Each piece is meticulously hand painted, and subtle colour variations may occur. These variations are a natural part of the process and ensure that every vase is unique, reflecting the Japanese belief that beauty lies in individuality and quiet detail. No two Sunao vases are ever exactly alike.

Whether styled with delicate florals, simple branches, or left unadorned as a sculptural object, the Sunao Vase, Mini brings an honest and timeless sensibility to any interior.

Sunao Vase, Mini - Marrakech Blue

Family Description Text

In Japanese, Sunao means honesty. It is a word that holds more than truthfulness; it carries the spirit of living with clarity, humility, and respect for the natural world. The Sunao Collection is born from this philosophy, an exploration of how simple forms and honest materials can create vessels that feel both timeless and alive.

The inspiration lies in the dialogue between nature and craft. Each vase and plant pot is shaped to frame what it holds, yet never overshadows it. The smooth surface speaks of calm refinement, like the stillness of a quiet morning, while the Beehive texture, cast from shoreline shellfish, celebrates imperfection, rhythm, and the raw poetry of nature.

Every piece is hand painted, carrying subtle variations that make it one of a kind, echoing the Japanese belief that beauty is found in uniqueness and quiet detail. Just as no leaf, branch, or wave is ever identical, no Sunao vessel is the same.

Whether standing with flowers, branches, or greenery, or existing in sculptural silence, Sunao becomes more than an object. It is a companion to daily life, a reminder of honesty in design and in living, where simplicity allows nature to take centre stage.

Color Description

Marrakech Blue is a color of striking intensity and depth. A vivid ultramarine blue, it feels almost endless, like a piece of sky distilled into pure pigment. Bold and luminous, the color holds a powerful presence, drawing the eye into its saturated, velvety richness.

It evokes deep evening skies above warm city walls, cool tiled fountains in shaded courtyards, and the calm stillness that arrives after a sun-filled day. At once vibrant and contemplative, Marrakech Blue carries a sense of depth where color feels less like a surface and more like an atmosphere.

Maintenance Guide Description

Our hand-painted ceramic pieces are crafted as decorative objects, designed to age gracefully when cared for with gentleness.

The outer surface of our pieces is hand-painted and should be treated with the same reverence dust lightly with a soft, dry cloth, allowing the painted character to remain untouched. Water, harsh cleaners, or abrasives should never meet this surface, as they can disturb its delicate finish.

Vases are sealed within and may hold water for fresh flowers. Clean their interiors gently with lukewarm water, then dry carefully, taking care that no moisture touches the painted exterior.

To preserve their vibrancy, keep each piece away from prolonged sunlight and sudden shifts in temperature. With such mindful care, every ceramic piece will hold its artistry, warmth, and timeless presence for years to come.

Materials Description

Ceramic is one of the oldest and most enduring materials, celebrated for its strength, versatility, and timeless beauty. Shaped from natural clay and fired at high temperatures, it achieves a density and durability that make it ideal for both functional and decorative use. Its smooth surface provides the perfect canvas for craftsmanship.

Our ceramic is elevated through hand painting, where layers of pigment are carefully applied by skilled artisans. This process creates subtle variations in tone, texture, and detail, ensuring that no two pieces are ever alike. The result is a material that combines resilience with individuality practical enough for everyday use, yet refined enough to stand as an object of art.

Hand-painted ceramic embodies the harmony of nature, craft, and time: a surface that carries both the permanence of fired clay and the soulful presence of the human hand.
