Lamps with accessories come with a table base.

Description

Our Type Range Wall Bracket gives you the flexibility to mount any of our Type Range lights to the wall, freeing up valuable surface space and allowing you to focus your task light precisely where it is most needed. Features include a subtle profile, a broader back plate (for better stability), options for hardwiring a lamp or trailing cable to the wall socket and four beautiful, colour matched finishes.

Materials

- Matt paint or brushed aluminium finish
- Aluminium shade and arms
- Chrome plated fittings
- Die Cast aluminium wall bracket
- Plated steel back plate on wall bracket
- IP20 rating
