Lightsome Floor Lamp

A floor lamp with an elegantly shaped, wide shade by the grand master of 1950s Danish lighting design, Svend Aage Holm-Sørensen. Lightsome is a sophisticated lamp perched gracefully on a slender three-legged base. The generous lighting provided by the large sculptural shade is perfect in the vicinity of a sofa or as a reading lamp next to an armchair. The iconic light holes in the floor lamp's painted metal shade are an extra Sven Aage Holm-Sørensen designer touch. Its gentle idiom and discreet brass details make Lightsome a timeless floor lamp of the highest quality.

Choose from several classic colours in Warm Nordic's exclusive silky matt quality paint, which guarantees an extraordinarily beautiful and durable surface.

PACKAGING

Amount of packages: 1
Box dimensions: ??? – 0,? m³
Box weight: ? kg

SPECIFICATIONS

Fabric cord: 300 cm
Cord colour: black noir, warm white
E27 max 25W
Energy A++-A
Voltage 220-240V
We recommend the use of LED bulb.
Assembly required.

ENVIRONMENT

High quality materials for high durability.
The lamp does not exceed the limits described by the EU in REACH, which protects people and the environment against the risks posed by chemicals.
The lamp is shipped with sustainable Mærsk ECO fuel ships that use green fuels instead of fossil fuels, which ensures responsible transport.
When disposed of, the lamp can be separated into several different parts for an easier sorting of waste.
Recycling of materials is possible.
The lamp is WEEE-registered, so it is possible to reuse and recycle the electrical parts of the lamp.
All packaging material can be recycled.
