UMAGE

## WITH LOVE FROM COPENHAGEN

At UIMAGE, our designers take inspiration from the distinct nature of the Nordic landscape to create unique designs related to the way we live in an urban setting. Influenced by the design language, colours and materials found around us in Scandinavia, we create a collection that is rooted in our home but designed for everyone.

Versatile, flexible and multifunctional, our furniture and accessory collection is designed for packing the most into life in smaller spaces!

# SUSTAINABLE SUSTAINABILITY EFFORTS

We are dedicated being sensible frontrunners on the environmental responsibility. If we provide timeless and functional quality designs that last, we know nature will prevail, as will UIMAGE.

## PLANTING A TREE

We have entered a collaboration with the NGO One Tree Planted, so every time we are selling one of our wooden lamps or furniture pieces we are planting a tree.

## REUSABLE PACKAGING

To minimize packaging waste, most of the packaging from our lighting collection is repurposed to be used as beautiful storage boxes afterwards.

## INTERCHANGEABLE

Save the world resources by interchanging elements or fabrics from the UIMAGE collection to add new life to the design and your interior without buying new products.
