KAISER IDELL™ 6556-T
PRODUCT FACT SHEET

KAISER IDELL™ - 6556-T

Versatile and minimalist, the Kaiser idell™ 6556-T lamp is renowned for its iconic shape and timeless appeal. Now reimaged in a matte grey hue, it brings together past and present in a union of timeless Bauhaus design and a modern Nordic sensibility.

The result of a long-standing tradition for creating original and timeless design of the highest quality, the steel and brass lamp is fitted with a world-patented swivel joint and characteristic embossed dome. The reflective shade sits neatly on a shelf, windowsill or desk and tilts to direct light where it is needed. Perfectly offset with brushed brass fittings, the understated new colour ensures the lamp remains forever modern.

PACKAGING

The lamp is covered with a plastic bag and shipped in a cardboard box. Cardboard is used as protection inside the box. All packaging material can be recycled.

CLEANING AND CARE

Wipe off dust with dry soft cloth. Remove stains with soft cloth dampened in lukewarm water added a mild detergent. Do not use detergents containing abrasives or solvents. The untreated brass part will start to patinate when it is being exposed to carbon dioxide and other substances, which will result in differences in colour and surface. This is part of the product's unique look but can be polished away.
