

Material Floor Lamp

The Material series highlights the power of simplicity in form and allows you to bring the beauty of natural materials into the interior. The table lamp features a pivoting head for added function, and a sleek black frame that places your chosen material front and centre. Perfect for the home office, study, or as reading light in the living room, where the tactile textures of the materials will add warmth and depth to the interior.

Designer Nørgaard & Kechayas, 2019

About the Designer The no-nonsense design duo argues that great original design has nothing to do with price, but everything to do with the ability of its creator. That spirit of craft, combined with Nørgaard's reflective mind and Kechayas' "just do it" attitude, has made them a well-known name on the Danish design scene.

Environment Indoor

Country of Origin PRC

Assembly Requirements The base and shade should be attached to the lamp pole.

Material The Material Floor Lamp is a simple lamp in powder-coated steel featuring several interchangeable shades made from a variety of materials, including steel, concrete, marble, cork, and more.

Cleaning & Care Use a soft, dry cloth to remove the dust from the lamp. For deeper cleaning, dampen a cloth gently wipe the surface. If needed, use a mild detergent. Always test a small area first to ensure it does not damage the finish. After cleaning, use a dry cloth to wipe away moisture, since moisture can damage the material. Pay extra attention to the marble shades while cleaning - Marble is a natural material, it is sensitive to liquids. If the liquid is not removed immediately, spilled liquids can leave a permanent stain.
