

# MAGLITE®

## MINI MAGLITE® PRO® LED

The iconic look of our original Mini Maglite® 2AA flashlight, introduced more than a quarter-century ago, is still seen in this portable lighting device. But there's one big difference: A state of the art LED light engine that provides a high intensity light beam. The Mini Maglite PRO includes the same classic simplicity of function. Twist head; On/Off and a beam that can be adjusted from an intense spot to a wide area flood.

- Great for EDC Every Day Carry
- Convenient Belt Holster Included
- Good for The Following Activities:
  - Outdoor
  - Professional
  - DIY
  - Home
  - Automotive

The Pro includes a lanyard ring tailcap and is built from high strength aluminum alloy tough enough to last a lifetime of use.

So whether you are into outdoor activities such as, camping, hiking or are a professional, aircraft mechanic, security, technician or just need a portable light with a high powered light beam the iconic Mini Maglite Pro is second to none.
