

JUST FAN Black/wood ceiling fan with DC motor SMART

Ref. 33395WP

The black/wood version is here! JUST FAN is the very essence of an industrial-style and modern fan. The stylised metal frame creates a striking, mould-breaking design. This modern ceiling fan is ideal for the ventilation of areas ranging from 13m² to 17,6m². Activated by remote control. This ceiling fan with a low-consumption DC motor has 6 adjustable speeds with a 4-6-9-13-22-32W consumption and 51-77-103-129-155-185 revolutions per minute depending on speed. This fan comes with a reverse function summer-winter, so you can also use it in winter, improving the efficiency of your heating system. Airflow: 145,7 m³ min / 5145 CFM. Control your fan with WiZ. It works with WiFi and it does the same features as a remote control. It is compatible with Alexa, Google assistant & Siri. Remember that it is necessary to add the Smart receiver Ref. 34150, which is not included.
