- Ideal for organising everyday items, functioning equally well as a bedside cabinet, side table, or home office organiser
- Made from a minimum of 30% post-consumer recycled ABS
- Suitable for a wide variety of private and public environments

FACET CABINET DESIGN BY STEFAN SCHOLTEN

Designed for HAY by Dutch designer Stefan Scholten, the Facet Cabinet is a multifunctional storage solution that's easy to move around. With its revolving integrated door and discreet wheels, it adapts effortlessly to a variety of settings. Made from at least 30% post-consumer recycled ABS, Facet comes in a range of models, colours, and heights. Ideal for organising and tidying everyday items, its versatile design works equally well as a bedside cabinet, side table, or home office organiser.

Dutch designer Stefan Scholten is known for his reductionist style and unique use of colour, and uses the 'atelier' method of working, combining functionality with an expressive, original design on diverse projects worldwide.

Stefan Scholten

Facet Cabinet family

Facet Cabinet 20 | Spinach green
Facet Cabinet 110 | Soft mint

Facet Cabinet High | Soft mint

Facet Cabinet High | Burgundy red

Facet Cabinet High | Soft mint

Facet Cabinet 20 | Eggshell

Facet Cabinet 20 | Soft mint

COLOUR & FINISH

Please note that the colours are indicative

Facet Cabinet consists of recycled post-consumer ABS. The use of recycled material means that colours may vary slightly from batch to batch and between parts. Marks and irregularities on the surface may occur and are a natural part of the recycled material. Exposure to the sun/UV will fade the colour over time.

MATERIALS

CABINET
Injection moulded ABS

MATERIAL COMPOSITION | ANTHRACITE
Min. 99% post consumer recycled ABS and 1% virgin ABS

MATERIAL COMPOSITION | MISTY BLUE, MISTY GREY, SPINACH GREEN, EGG SHELL, BURGUNDY RED & SOFT MINT
Min. 30% post-consumer recycled ABS and 70% virgin ABS

CASTORS
100% recycled nylon, black

FEET
Min. 75% recycled polypropylene and 25% rubber, black

DIMENSIONS

Incl. feet. Please note that Facet Cabinet with feet are 1 cm lower in height compared to Facet Cabinet with castors.

EU ECOLABEL
Applies to cabinet without castors or feet

EN TEST
EN 16121 - L1
Applies to cabinet without castors or feet

SUSTAINABILITY

At HAY, we believe good design should stand the test of time. That principle shapes the decisions we make – from the materials and suppliers we work with to the certifications we pursue to ensure our products meet recognised standards. We use recycled content where possible, FSC™-certified wood (FSC-C148805), and bio-based foam that helps lower our products' overall carbon footprint. We are also increasing the number of products certified with the EU Ecolabel and the Nordic Swan Ecolabel, reflecting our ambition to make lower-impact choices across our assortment. HAY follows strict regulatory requirements, and most of our products are tested to meet international standards for strength, durability, and safety.
