

Rime Chandelier

“Designing simple things is often one of the hardest things to do. We wanted to create a simple lamp with a glass shape, giving it a soft expression while making its top and pendant tube as subtle as possible. We were inspired by the shape of acorns for the gentle lines of the pendant while hinting towards the shaded expression of ice and rime for the glass of the design, allowing for the light to shine slightly through with a refined touch. The Rime Lamp brings a timeless yet modern perspective to the archetypal light through its translucent shade and graphic form.”

Designed by	TAF Studio
About the Designer	TAF Studio is a Stockholm-based design and architecture studio, founded by Gabriella Gustafson and Mattias Ståhlbom. The duo works within product and interior design.
Environment	Indoor
Country of Production	Poland
Description	Rime Chandelier reimagines the classic glass pendant as a striking light sculpture. Featuring five mouth-blown, sandblasted glass shades, it casts a soft, refined glow while its square-profile aluminum suspension adds sharp, architectural contrast. Designed for high ceilings, it makes a bold statement above round tables and dining areas. Visible screws and industrial finishes—White, Black, or Aluminium Grey—highlight its modern character. Each shade includes a high-quality G9 bulb with a color rendering index above 90 for warm, consistent illumination. Glass shades, suspension, and cables can all be replaced for lasting durability. The diameter of the shade is 18 cm / 7.09".
Material	The glass shade is mouth-blown and made with up to 75% recycled glass. The fixture includes user-replaceable G9 light sources with a CRI above 90. The suspension is made from die-cast and machined aluminum, supported by a steel aircraft wire. The cord and canopy are made from PVC and injection-molded ABS. The product is designed for disassembly and produced without intentionally added PFAS.
Cleaning & Care	The surface should be cleaned with a dry cloth. The electricity supply must always be switched off before cleaning.
Light Source Included	Yes.
Ceiling Cap Included	Yes.
Dimmable Function	Yes.

Rime Chandelier

Dimensions

Height:	28 cm / 11.02"
Diameter:	80 cm / 31.5"
Cord Length:	400 cm / 157.48"

Ready-to-Ship

Black	<input type="checkbox"/>
White	<input type="checkbox"/>
Aluminum Grey	<input type="checkbox"/>

Lamp Rating

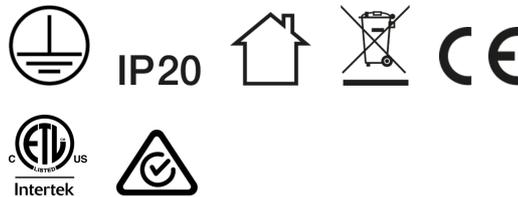

Voltage	220-240V
Frequency	50/60 Hz
IP Rating	IP20
Classification	Class II
Socket	5 x G9. Max 6W Self-ballasted LED

Light Source Specification

Item	LED bulb frosted
Watt	3
Lumen	230
Lumen Maintenance	25000
Kelvin	2700
Lifetime	25000
CRI	90
Dimmable	Yes

Tests, Labels & Certifications

Safety & Regulations	ECO Design Directive Low Voltage Directive 2014/35 EU (LVD) REACH Restriction of Hazardous Substances Directive (RoHS)
