

SILVIA

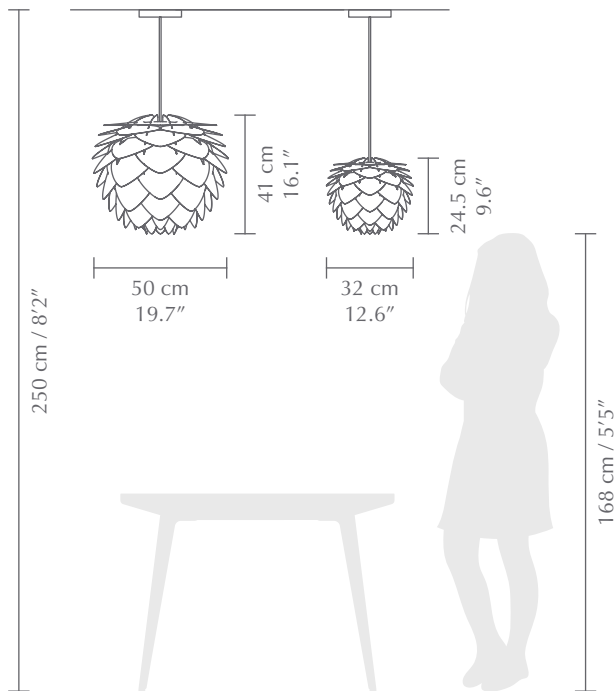

Designed by UIMAGE Design Team

AN INTERIOR DESIGN MEANT TO STAY

Inspired by nature and with their characteristic organic, triangular shaped blades, the Silvia lamps cast a warm and glarefree ambient light, making them artistic pieces to illuminate that special spot in a home. The stylish metallic colour confers a glamorous edge to the design and tells a "story" of authenticity and timelessness.

Available in a mini and medium size, the Silvia lamp comes in a white, copper, steel and brushed brass version. These could be used either as pendants, floor lamps, or table lamps, making these lamps versatile design pieces. Because the light bulb is not visible from any angle, these stylish lampshades are perfect for any height and any place in a home.
