

# CHAMPAGNE | LIGHT STAND

Designed by Anders Klem

## INSPIRED BY THE DELICATE STEM OF A CHAMPAGNE FLUTE

Inspired by the delicate stem of a Champagne flute, this simple light stand has been designed as an elegant accent for any corner of the home.

The lightweight yet sturdy stand has a classic pull-switch, adding a traditional detail to its clean, contemporary shape. The Champagne table has a hidden, integral USB-port so you can charge your phone or tablet, even when the light is turned off.

The Champagne can be paired with a large variety of our UIMAGE lampshades.
