- Mixed materials – felt, metal and leather • Industrial look
- Nordic style • Incl. black and neutral coloured strap

Designers Bjørn + Balle have created Strap by combining felt, metal and high-quality leather for a light, Nordic aesthetic. The elegant strap adds warmth, balancing a classic and industrial look. Strap comes with two leather straps – one brown and one black – allowing you to choose the final look.

This year, Strap celebrates its 10th anniversary, and to mark the occasion, we have added a range of new, beautiful colours to the series.
