CURVE PENDANT

Drawing inspiration from minimalist art, the Curve pendant seamlessly melds light and sculpture, creating a striking graphic lighting design. This pendant showcases a radiant white acrylic tube, which houses a long-lasting LED light source, boasting 25,000 hours of illumination at a warm Kelvin 2400. Accented with plated metal fittings at both ends, and mounted on streamlined, geometric metal fixtures, the Curve pendant evokes a distinctly graphic ambiance.

Shifting away from the starkness typically associated with neon, these innovative lamps exude a warmer, more inviting glow, setting the ambiance for a cozy and comforting atmosphere.
