

LOTUS VASE PETIT

From still waters, the lotus emerges, a symbol of purity, strength, and quiet grace. The Lotus Collection captures this timeless beauty in sculptural ceramic form, where petals unfold seamlessly into one another, their organic flow rising from sharp, elevated feet. Fine lines trace upward, guiding the gaze to a radiant, star-shaped crown, while the contrast between smooth surfaces and architectural edges creates a presence that feels both serene and powerful. More than a vase, Lotus is a sculpture of transformation, nature's elegance refined into lasting form.
