

# ASTERIA UP

Designed by Søren Ravn Christensen

## SUBTLE YET POWERFUL

Finding the right light for the kitchen and hallways can be a challenge. The Asteria Up ceiling lamp from UIMAGE is not only offering the perfect light but is also a very discrete and stylish solution. The lampshade is placed on a brass base, adding a refined expression to the lamp design.

A top panel provides an ambient light upwards as well, enhancing the details of the design and secures a soft atmosphere in the surrounding space.
