PORTABLE LAMP FOR MOMENTS ON THE MOVE

Introducing Asteria Move: An UIMAGE classic with a twist. Asteria Move gives you the minimal and elegant Asteria design you already know and love, but in a smaller and cordless version, making it easy to move around, hence the name. The lamp has a custom LED lighting built-in with a soft white diffuser that ensures a glare-free glow and the brass stem going through the lamp offers a tight and sophisticated expression. Asteria Move has four levels of lighting and can be adjusted as desired.
