

A line drawing of a chair with a rounded, egg-shaped backrest and a simple, curved seat. The chair is supported by a central vertical post that connects to a wide, shallow, oval-shaped base. A horizontal dimension line at the bottom indicates the length of the base. A vertical dimension line on the left indicates the total height of the chair. A diagonal dimension line on the right indicates the depth of the seat. The drawing is minimalist, using only black outlines on a white background.
