Dimensions

Diameter/Height	700mm/580mm

Description

A collection with a refined and essential design.
Small metal arms hold turning round light sources in which are housed 220V LED boards, no driver is needed.
By turning the light sources, these fittings are unique because following the customer’s taste, they give the chance to have total on partial direct and indirect lighting.
Available with 3000 °K or 2700 °K LED colour temperature.
Energy class A++, A+, A - Registered design
