### NO. 2 PENDANT

The No. 2 Pendant Lamp is a refined balance of detail and proportion, where timeless elegance meets modern minimalism. Inspired by the Art Deco era, the design is defined by its distinctive socket detail, featuring vertical lines that catch and reflect light with a subtle shimmer.

Paired with a circular opal glass lampshade, the chrome-finished body creates a soft, ambient glow while maintaining a precise, architectural expression. The polished chrome surface reflects its surroundings with mirror-like clarity, enhancing the pendant's luminous presence without overpowering the space.

Whether suspended as a single statement or arranged in a rhythmic cluster above a dining table, kitchen island, or hallway, the No. 2 Pendant Lamp brings warmth, refinement, and quiet artistry to both contemporary and classic interiors.
