NIGHT OWL
BY NICHOLAI WIIG HANSEN

LIGHTYEARS.DK

Nicolai Wiig Hansen's inspiration for designing the Night Owl table lamp was the desire to create a Nordic warm and cosy wash of light. The design is effortless and expresses that this is an informal table lamp. It consists of a conical base and oval shade, merging together to form a single unit of balanced proportions. Its organic design gives the lamp a friendly and almost human appearance - it's a lamp with a personality!

The names of the colours are inspired by nature: midnight blue after the infinity blue tone of the sky at twilight; and smokey white after the glowing light of a full moon. Night Owl casts a warm and pleasant downward light. The texture of the natural ash base gives the lamp character, and over time the wood will develop a patina of its own. The shade is finished at the bottom by a diffuser which softens the light, as well as preventing glare.

The asymmetric shade provides an oval diffusion of the light. The shade can be placed in four different positions, allowing the black cable to exit the lamp in the desired direction.

Night Owl is suitable for standing on e.g. a sideboard, shelf, bedside table or in a window.

FACTS

COLOUR/SURFACE

Midnight blue or smokey white lacquer

MATERIAL

Shade: Aluminium

Base: Aluminium, ash wood

Diffuser: Polycarbonate (PC)

Cord: Black

LIGHT SOURCE

E27 max 15W - Max length/diameter: 110 / 60 mm

ENERGY LABEL

A++, A+, A, B, C, D
