

## boule

by Sebastian Herkner  
FLOOR LIGHTS

The boule series, featuring a table light, a short floor light, and a tall floor light, brings a bold scale to its ambient output. Placed on a handmade ceramic, marble, travertine, or other stone base, the series lets the reflected and refracted radiance stand out, capturing the attention of observers well into the warm evening.

### PRODUCT CHARACTERISTICS

Each piece is created from transparent or coloured handblown glass. The base is made of ceramic, marble, travertine or other stones. Each light is handmade and has characteristic features such as variations in thickness, small bubbles or bumps.

instructions & data sheet

## boule small TABLE LIGHT

### BASE

ceramic, marble, travertine or other stones

### SHADE

handblown glass, coloured

### CABLE

textile, 4000 mm, with foot switch/dimmer and Euro-plug

### WEIGHT

3,5 kg

### DIMENSIONS (mm)

Ø 290 × 355 H

## LIGHT SOURCE

Bulb: LED

Bulb fitting: E27 240 Volt

Dimensions (mm): Ø 80 × 120 H

Power consumption: max. 7 Watt

Voltage (V): 220-240; 50/60 Hz

Lifetime: 30 000 h

Radiation angle: 360°

Colour temperature: 2700 K

Lumen: 806 lm

Finish: warm white

ES: A++

## boule medium FLOOR LIGHT

### BASE

ceramic, marble, travertine or other stones

### SHADE

handblown glass, coloured

### CABLE

textile, 4000 mm, with foot switch/dimmer and Euro-plug

### WEIGHT

19 kg

### DIMENSIONS (mm)

Ø 580 × 740 H

## LIGHT SOURCE

Bulb: LED

Bulb fitting: E27 240 Volt

Dimensions (mm): Ø 125 × 170 H

Power consumption: max. 7 Watt

Voltage (V): 220-240; 50/60 Hz

Lifetime: 30 000 h

Radiation angle: 360°

Colour temperature: 2700 K

Lumen: 806 lm

Finish: warm white

ES: A++

## boule high FLOOR LIGHT

### BASE

ceramic, marble, travertine or other stones

### SHADE

handblown glass, coloured

### CABLE

textile, 4000 mm, with foot switch/dimmer and Euro-plug

### WEIGHT

17 kg

### DIMENSIONS (mm)

Ø 520 × 825 H

## LIGHT SOURCE

## CARE INSTRUCTIONS

Regular cleaning and maintenance is important in order to keep your pulpo product looking its best and to prolong its life. Always remove any kind of dirt as soon as possible. We recommend that you first test a small, invisible area to ensure that no colour change or damage arises to the product. Do not use materials for maintenance that contain abrasive agents or are basic, acid or organic.

## MARBLE, TRAVERTINE & STONE CLEANING

For dusting and light cleaning of marble, travertine and stone use a soft, dry cloth. For further cleaning gently wipe the surface with a soft cloth wrung in clean warm water. Dry immediately afterwards with a soft, dry and clean cloth.

## GLASS CLEANING

For dust and light cleaning of glass, use a soft and dry cloth. For further cleaning, gently wipe the surface with a soft cloth wrung in clean water and mild, non-abrasive commercial glass cleaner. Dry immediately afterwards with a soft, dry and clean cloth. For the best maintenance of the product, care for it regularly and try to keep it away from grease and other dirt. Furthermore, protect the surfaces against sharp objects and other materials that might cause any scratches. Please note that each glass is unique. Bubbles and streaks, as well as minor variations in colour and size, are characteristic of handmade glass and are not flaws of design or manufacture.

## IMPORTANT NOTICE

The lamp should only be connected or repaired under the supervision of a qualified electrician. Please observe all local regulations. For interior use only to avoid short-circuit. Before changing the light bulb, turn off and unplug the lamp, and allow the bulb to cool down. Defective parts maybe replaced only with authorized parts. Damaged external wiring may be replaced only with special wiring or wiring available only from the manufacturer.

## INSTALLATION OF THE LIGHT

1. Place base in the desired position in the room.
2. Screw the bulb into the socket.
3. Place the small glass shade on top of the bulb, using the ridges in the base as a guide.
4. Carefully place the larger glass shade on top of the small shade, using the ridges as a guide.
5. Use the footswitch to turn on the light.

CE (European Union) **pulpo** GmbH hereby states that this pulpo product conforms to all European Directives and Standards, including 2006/95/EC. The Declaration of Conformity is available from pulpo upon request. WEEE-Rg.Nr. DE 25847841
