

# Fienile outdoor

Design Daniel Rybakken, 2019

Type:	Floor
Lamps:	LED 17W, 3000K, CRI 90 available with: on/off LED remote driver (*) dimmable push/DALI remote driver (*) Light grey: 886 lm Dark grey: 662 lm
Product use:	Outdoor
Materials:	Structure: aluminium Screen: polycarbonate
Colors:	Light grey, Dark grey
Description:	Originally created as a table lamp, Fienile is also available in floor lamp versions for outdoor use, based on the same design inspired by the iconic rural buildings of Norway. Fienile Outdoor is a work of micro-architecture, with its walls and pitched roof extruded in a single, solid block of coated aluminium, while the diffuser is in polycarbonate.
