CHAMELEON WALL LAMP

Inspired by 80s graphic minimalism, the Chameleon Wall Lamp creates a striking visual presence in any room. With its clean lines and bold geometric form, it becomes both a source of light and a sculptural wall feature. The adjustable square lampshade can be effortlessly turned and repositioned, allowing you to shape light and shadow in endlessly creative ways. Whether used as a bedside lamp, mounted above a kitchen counter, or arranged in multiples as part of a larger wall installation in a hotel lobby, Chameleon adapts seamlessly to its surroundings living up to its name. Its ability to transform makes it ideal for both intimate residential interiors and bold, large-scale decorative statements.

Designed by Kristian Sofus Hansen & Tommy Hyldahl

Product No: 261013
Type: Wall Lamp / Indoor

Designer / Year of design:
Kristian Sofus Hansen & Tommy Hyldahl, 2025

Colour / Material:
Metal: Chrome / Powder-Coated Aluminium
Cable: Fabric covered cable / Black
