

THE LIILA COLLECTION

Liila 1 Medium

The lamp consists of a base with a circular backplate in powder-coated metal with a globe-shaped diffuser in opal white or optic clear hand-blown glass. The opal white diffuser provides a soft, all-round light whereas the optic clear provides a more decorative light. The fixture is designed for wall or ceiling mounting in IP44-rated environments. It uses a single G9 light source positioned centrally within the diffuser.

Cable not included.
