

A line drawing of a chair with a rounded, egg-shaped backrest and a simple, curved seat. The chair is supported by a central vertical post that connects to a wide, shallow, oval-shaped base. To the left of the base, there are two thin, curved lines representing the chair's legs. Three dimension lines are present: a vertical line on the left indicating height, a horizontal line at the bottom indicating length, and a diagonal line on the right indicating depth.
