

REM Matt nickel/black wall lamp with LED reader

Ref. 29682-21

REM is a design lighting set created by Alex & Manel Llusçà. It is characterized by a stylized body and a classic but renovated style. The wall lamp has a minimalist base and an elongated fabric screen making it suitable to illuminate the house. This product is also designed to illuminate contract spaces such as hotel rooms or restaurants. The structure is finished in matt nickel and the screen in black. This wall lamp is perfect for bedroom lighting thanks to the LED reader.
