

Tense Portable Table Lamp

Panter & Tourron

The airy, cloud-like shade that characterises New Works' Tense Pendant is continued in an intriguing table lamp. Its flowing shape is crafted from tightened carbon rods and light, durable, and 100% recyclable Tyvek, which is washed to achieve the appealing crinkled effect. Resting in an almost vertical position on a streamlined base, the Tense Table Lamp provides ample opportunity to enjoy the shade's beautiful texture and soft diffusion of light. The battery-powered light can easily be moved around where light is needed and both colour temperature and brightness can be adjusted to the desired ambiance. Charging is conducted with a magnetic charging cable, which attaches seamlessly to the base and can be left in without disturbing the look of the lamp. With advanced technical features and sensuous attributes, designers Panther & Tourron put forward an aesthetic and modern take on a table lamp..

Specifications

Product Name

Tense Portable Table Lamp

Designer

Panter & Tourron

Category

Lighting

Type

Portable Table Lamp

Year

2022

Material

Powder coated aluminum with Tyvek shade

Colour/Variant

White Base w. White Tyvek, Black Base w. White Tyvek

Product Dimensions

H: 430 x W: 340 x D: 70 mm

Packaging Dimensions

H: 86 x W: 370 x D: 460 mm

Cord

Magnetic charging cable, 2000 mm, 5V/2A universal USB adapter

Weight (incl. packaging)

2 kg

Country of Origin

China

Master Packaging

1

Certification

CE, Class II, IP20

Bulb

Light source included

Light Source

4W LED, 2700K to 3300K, Lumen: 350 lm
Operating time: 10-11 hours (at 100% brightness)
Charging time: 6-7 hours (0-100%)

Dimmability

Integrated touch dimmer with memory
Three temperature settings

Safety Precautions

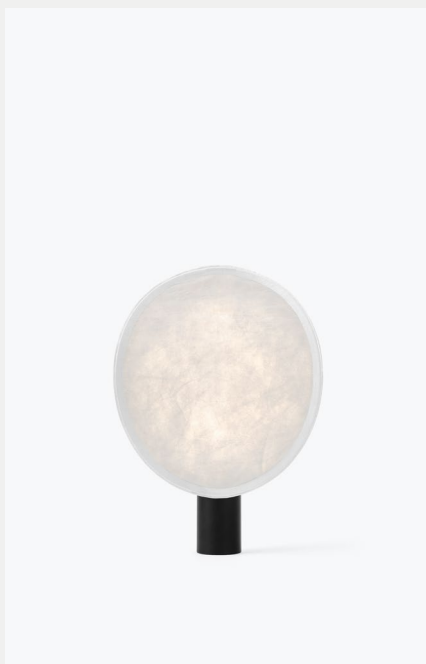

The lamp is only intended for indoor use. This product contains a Li-ion battery. Misuse of said battery may lead to potentially hazardous outcomes. In case of smoke, battery swelling, or an odor while charging, terminate charging immediately. New Works ApS does not take responsibility for battery failure prompted by unintended use.

Cleaning

Wipe the product with a soft dry or moist cloth. Do not use any abrasive cleaning tools, and never use strong cleaning agents such as household glass cleaner, white spirit, or turpentine.
