

SOLAE

FRITZ HANSEN

# SOLAE

Solae is a portable lamp that radiates highly functional, versatile light - whether as a bright, focused source for reading and dining or as a warm, atmospheric glow. Solae’s clean, architectural design features a thoughtful geometric oval base topped with a circular disk. The oval base lends the lamp a directionality that allows it to shape a space from within the circular top’s footprint. It fits naturally in the hand, offering a comfortable, intuitive grip that makes guiding and repositioning feel effortless. It’s a design detail that transforms the simple act of moving the lamp into an experience of ease and intention over the flow of a space whether in a restaurant and residential setting.

## SALES INFORMATION

**PARTNER PORTAL**  
Available to order on August 7, 2025

**ON STOCK DATE**  
Ultimo August 2025
