

Any electrical connection should be made only by a qualified electrician.

It is imperative that you read through this information leaflet and any other documents enclosed with the light fitting prior to using the light fitting. Retain this information leaflet and any other documents enclosed with the light fitting carefully.

This product is not suitable for direct mounting on flammable surfaces.

A) After inserting the line cord into the base of the fixture through the nearest hole to the socket, fix to the wall.

B) If silicone sleeves are supplied with the lamp, these sleeves must be inserted over the power connection lines as heat protection.

C) Proceed in the electrical connection. Protective class I lights are fitted with an earth terminal (marked with a green wire, or a copper screw or the symbol \perp) that must be connected to the earth wire of the installation.

D) Screw the bulb to the lampholder, the glass with the side screws and check that every part is securely fixed.

For economy and environmental protection, use energy saving (CFL or LED) bulbs.

The light may only be used for purposes appropriate to its design. This lamp is for internal use only.

Do not make any modifications to the item. Only have repairs carried out by a specialist workshop.

Ensure that the mains electrical supply is switched off before installing, replacing of bulbs or cleaning the fixture.

While cleaning always use a soft tissue. DO NOT use for cleaning strong detergents.

The manufacturer will not accept liability for injury or damage resulting from incorrect use of the lighting fixture.

TERMS OF WARRANTY

I. WARRANTY

VIOKEF S.A. provides warranty for the time period specified below, which is exclusively limited to the free of charge repair of the product (lighting fixture) in case of malfunction due exclusively to a manufacturing error. The present warranty does not include the product's replacement or buyer's claim for compensation. The transportation cost from and to the company exclusively burdens the buyer.

Claims, which differ from or extend beyond what is mentioned in the present warranty, shall be excluded, with the exception of any claims compulsorily provided in the applicable law. VIOKEF S.A. shall not be liable for actual and implied, coincidental or consequential, damages of any kind, including indicatively but not limited to loss of profit or business losses.

II. DURATION OF WARRANTY PERIOD

The duration of the present warranty is set for a time period of two (2) years as from the day of the initial purchase. The proof of the initial date of purchase burdens the buyer.

III. WARRANTY VALIDITY

The present warranty is valid only if it is followed by the original document of purchase of the product (retail receipt etc.).

IV. MEANS OF REPAIR

VIOKEF S.A. has the right to freely determine the means, the time and the place for the repair of the product.

V. EXCEPTIONS

The present warranty does not cover dispensable parts (e.g. bulbs), as well as the following cases:

- Damages caused by improper use or misuse of the product (e.g. exposure to excessive heat, humidity and strokes, use beyond the normal conditions of use) and, in general, damages caused due to non observance of the product's instructions of use.
- Damages or malfunction caused by problems in the Power Supply Networks.
- Damages caused by natural disasters such as lightning, flood, fire etc.
- Damages caused by repair or disassembling of the product, performed by a person non-authorized by VIOKEF S.A.
- Damages caused by the use of bulbs non-specified in the specifications tags of the lighting fixtures.

IV. FINAL PROVISIONS

The present warranty may be amended only in writing, by a document signed by both VIOKEF S.A. and the buyer.

The present warranty as well as all relative disputes is governed by Greek law.
