

VOILA Portable lamp

Ref. 71565

VOILA is a fun portable design for outdoor lighting. This light's diffuser has a round shape and, thanks to different accessories, can be converted into a pendant lamp, table lamp or stake light. The colour of the light beam can also be changed and you can choose from white, blue, green or red. It is charged with a USB cable (included) and has 7 hours of autonomy. Complete charging is 10 hours.
