

YOMU magazine table

Designed by Studio So-Lo

YOMU magazine table

Meet YOMU - named after the Japanese word *yomu*, meaning "to read". Designed for quiet moments and well-lived spaces, YOMU is a minimalist side table with an integrated magazine stand that keeps your favorite reads always within reach.

Crafted from gracefully bent, powder-coated steel, YOMU balances sculptural elegance with everyday function. Its slim profile slides easily beside a sofa or armchair, while the built-in magazine holder adds a thoughtful layer of organization. The durable powder-coat finish gives it a refined, matte look that's made to last.

YOMU is more than a table - it's a companion to your reading ritual. Simple. Purposeful. Beautifully made.

Designed by Studio So-Lo.
