CAST SCONCE WALL LAMP WITH DIFFUSER, IP44  
Designed by *Thomas Chung & Jordan Murphy*

*Audo Copenhagen updates the Cast Sconce with an IP44 rating.*

Designed by Tom Chung and Jordan Murphy for Audø, the Cast Collection merges triangular, linear and circular elements into a sophisticated silhouette. Both purposeful and striking, the lighting designs add to the ambience of a room, whether switched on or off.

Audø now updates the Cast Sconce Wall Lamp with Diffuser with an IP44 rating, making it suitable for a wider range of spaces and applications, including bath and shower rooms and outdoor areas.

Drawing inspiration from archetypal forms and simple, meaningful elements, the lamp echoes the enduring aesthetic of ancient tools while maintaining a modern, minimalist appeal. In black metal with brass detailing it embodies Audø Copenhagen's soft minimalism with a smooth, tactile finish offset by strict geometric forms.

Fitted with a replaceable LED light and controlled by a dimmer switch on the cord, the updated design provides soft, glare-free illumination. While the shade angle cannot be adjusted once mounted, it ensures a fixed and perfect lighting angle when properly installed.

*About the Designer*

Based in Toronto, Canada, designers Thomas Chung and Jordan Murphy share an appreciation for functional, honest design and new solutions focused on the human experience. The duo has a keen interest in the history of objects and the ways in which existing concepts can be adapted and transformed to meet modern needs. From their design studio, they create context-driven industrial design pieces for domestic, institutional and public environments using a unique process that draws upon contemporary culture and local industry.
